

## 150 AMP 'Mini' Connectors

### CLM Series Single Pin Connectors

#### CLM Female

**CLM Series** inline connectors have a Santoprene housing. The Nylon retaining screw passes through the housing and brass contact to provide maximum fixation. Will withstand heavy torque loading. Constructed of weatherproof materials, products are UL listed and CSA certified. NEMA 3R and NEMA 4R rated for wet locations. Connectors accept up to 150A / 600V.

#### CLM Male

\*Stocked colors shown. Other colors available upon request.

Part Number: CLM2F-A

Part Number (Female)	Color	Wire Range	Part Number (Male)
CLM2F-A	Black	#8 - #2	CLM2M-A
CLM2F-B	White	#8 - #2	CLM2M-B
CLM2F-C	Red	#8 - #2	CLM2M-C
CLM2F-D	Blue	#8 - #2	CLM2M-D
CLM2F-E	Green	#8 - #2	CLM2M-E

Part Number: CLM2M-A

Part Number: CLM2F-B

Part Number: CLM2F-D

Part Number: CLM2M-B

Part Number: CLM2M-D

Part Number: CLM2F-C

Part Number: CLM2F-E

Part Number: CLM2M-C

Part Number: CLM2M-E
